- Notes:
- In accordance with the General Provisions for Study, undergraduate students need to satisfactorily complete Service Learning, meet the university-wide basic competencies of English, Information Technology, Chinese, and Sports, and pass the core competencies of their department to be eligible for graduation.
 - Students who entered in and since the 2008-09 academic year need to complete at least 12 General Education course credits. General Education courses are divided into three areas: Humanities, Social Science, and Natural Science. Each area is divided into two subcategories: core and extended. Students need to take 1 two-credit course in both of the subcategories within each area to be eligible for graduation.
 - Only 12 course credits will be counted toward graduation. Additional course credits earned in General Education courses are not counted toward graduation.
 - To encourage students to take professional courses taught in English, the Department offers Marketing Management (English) and Global Marketing (English)

Ming Chuan University Department of International Business Course Outline for all students entering in 113AY

which are three-credit, one-semester courses. In addition, with the chairperson's approval, students may choose to take the same required courses offered by International Business and Trade Degree Program of International College.

5. Students are required to complete 128 credit hours prior to graduation, which include 90 credits of required courses (Including 12 credits of General Education) and 38 credits of elective courses (up to 20 credits can be taken from outside of the Department of International Business, but students are encouraged to take courses from the chosen module or credit programs offered by the University.)
6. The credits of interdisciplinary focused course program are not included in course structure diagram that can be regarded as the other department credits.
7. Credits from the Education Program will not be counted towards the required credit hours for completion of the degree in International Business.
8. Students are required to take courses in Introduction to Business(M1101), Calculus(57102), English Business Letters for International Trade(57310), and International Trade Information Systems(57323), all of which are one-semester required courses. Students can take those courses in either the first or the second semester.
9. Undergraduate students need to satisfactorily complete one of three focused course programs. Within the international business major, there are three programs that a student can pursue: "International Trade and Internet Finance" program, "International Trade, Product Innovation and Marketing" program and the "International Business and Trade Management" program.
10. The two-credit *Business Ethics and Sustainability*, listed in *General Education*, is the core course for SOM undergraduate students, who should obtain the credits in 3rd or 4th year for graduation.
11. According to the students needs, our department will add these two courses "International Finance (57207)", "International Trade Theory and Policy (57206)" each semester or in summer. These two courses are not simultaneously remote teaching courses and each course is 3 credits.
12. According to the students needs, our department will add the course "Calculus (M1102)" each semester or in summer. The course is 3 credits and not simultaneously remote teaching course.
13. SOM's undergraduate students are required to participate in at least 8 hours of community-based service learning activities.
14. Graduating students and students in the extended study period who did not pass required courses of Physical Education can waive a maximum of two (2) required Physical Education courses by passing Comprehensive Physical Education I, Comprehensive Physical Education II. This regulation is applicable for those admitted in and prior to 2020-21 academic year.
15. If International students, overseas students or students from Hong Kong and Macao are not good at Chinese, they can take the courses of Basic Chinese I & II through International College instead of taking Chinese Literature: Appreciation and Creative Writing I & II. This regulation can be applied to students who entered the university prior to the 2021-22 academic year.
16. Foreign students, overseas Chinese students, Hong Kong students and Macao students may select the following courses to waive "Chinese Literature: Appreciation and Creative Writing I and II" once the related test confirms that they have insufficient Chinese ability: "Basic Mandarin I and II" or "Chinese Literature I and II". This may also be retroactively applied to students who entered the university prior to the 2023-24 academic year.
17. The newly added elective courses in this academic year can be applied retroactively to students who entered from 2024 academic year.
